Notice of Leave

The Trustee and Co-Trustee, hereby give Notice of Leave from the State of Minnesota due to an experience of the increase of attacks, threats, forced association, and what the Trustee believes to be extortion by members of Political Subdivisions. The members of BRANDON ALAN ANDERSON, PMA (hereinafter, "Association") are not naive to the fact that there is a pursuit to arrest individuals of the Association so the Members of the Political Subdivisions operating against the Association can "sweep" in and make claims against Private Property. There has been an increase of gang stalking by individuals with weapons, claiming to hold public offices, but lack proper oaths or any oath at all; that are involved in the matters of this publication:

The amount claimed due for the perceived extortion involved within the Summons known as Citation Number: 882200500005 has been paid, not by the individual that the claim was against.

The fee was paid by someone else. Further, there was no admission of guilt in this matter. This

Summons is believed to be extortion and fleecing on the side of the road with attempts to a furtherance in trial to arrest the individual. This gives the bankers opportunity to come in and steal

Private Property. All evidenced here within this Affidavit of Fact:

The Inhabitants within the Political Subdivision of the state of Minnesota have failed to hold onto Private Property rights and have been seen as approving the Communist takeover of the state for many years. Minnesota is facing very tough times ahead. The members of the Association

understand Minnesota is in support and part of the DNC Services Corporation also known as the Democratic National Committee, who is in full support of an Islamic takeover, and Ba'al Peor worship. The end goal is total submission and domination of the inhabitants of Minnesota under the Satanic Ideologies of Sharia Law. The Members of the Association will not be in support of Communism ,Islam and the worship of Homosexuality. The Members of the Association refuse to be threatened or moved into submission by the previously mentioned issues within this publication. The Members of the Association will not play to be a victim or seen as some kind of martyr, but instead seek full understanding of our Fathers desire by leaving the State of Minnesota in less than 2 months from the date of this Notice from the office of Trustee.

Best Regards,
